**FOR IMMEDIATE RELEASE**

**TRF Employer Contribution Rate Adjusted for 2009**  
***New rate set at 7%***

INDIANAPOLIS (April 16, 2008) – The Indiana State Teachers' Retirement Fund Board of Trustees recently announced a decrease in the employer contribution rate beginning in January of 2009.

This rate will drop to 7% on January 1, 2009. The Board of Trustees did not designate an end date. The current rate of 7.25% is effective through December 31, 2008.

Employers should also note that this adjustment coincides with the beginning of the calendar year, where past adjustments were based on the fiscal year.

*The Indiana State Teachers' Retirement Fund (TRF) administers the pensions and manages the investments for over 140,000 members.*
